CLASSY Corner

S = Self Motivation

Self Motivation is the force that drives you to do things. It is also what the second "S" in Classy represents. So what motivates you? It is different for everyone, and hard for others to determine. People with self motivation can find reason and strength to complete a task, even when challenging, without giving up or needing another to encourage them.

Honor Society

The honor society will be sending eight 8th graders and eight 7th graders to Lyman on the 12th of April for the Academic Bowl competition. Please see Mrs. Lewis for any questions or if you are interested in participating.

Dear Parents,
Thank you for being willing to complete the survey handed to you during Parent Teacher Conferences. This really helped the library to know where you would like SVMS to spend time, energy and money. In response to the survey results, we will be introducing a motivational program to encourage students to complete their non-fiction reading requirements. SVMS will be offering a prize in the library (i.e. a bag of jerky, large bag of chips or king-size candy bar) to any student who completes their non-fiction reading requirements before April 30th. As always, thank you for your support!
Mrs. Osmond (Librarian)

WY-TOPP Testing Just Around the Corner

The Wyoming Test of Proficiency and Progress will take place later in April. The following link provides FAQs for parents regarding this evaluation.
