EVERY STUDENT SUCCEEDS ACT

85.66%
GRADUATION RATE
Class of 23-24
88.3 % for Class of 22-23

Wyoming's Consolidated State Plan for the Every Student Succeeds Act (ESSA) allows us to continue creating opportunities for students to keep Wyoming strong by ensuring they are ready for college, career, or the military. It is built on Wyoming's strengths and designed to have a single, coherent school accountability system which supports schools, while meeting federal and state requirements. To meet the federal requirements, Wyoming's ESSA plan includes:

- Achievement and graduation rate goals for students
- Measurement of how well schools are doing
- Priorities for the use of federal funds to support schools, students, and educators

The long-term goals are based on schools that performed among the 65th percentile of all public schools in Wyoming. In the 2015-16 school year, the top 35% of schools had a graduation rate of at least 88%. The long-term goal aims to have all schools perform at the same level within 15 years.

The long-term goals for reading are 59% proficient for elementary and 53% for high school. Math goals are 57% proficient for elementary and 47% for high school.

Report Card Accessibility

Lincoln County School District #2 (LCSD2) is committed to and is making every possible effort to ensure that all electronic and information technology developed, procured, maintained, or used by LCSD2 is accessible to people with disabilities, including both employees and the customers we serve. If you cannot fully access the information on a particular page, please utilize the contact information below. (This may include providing the information to you in an alternate format.)

- To request information on this report card in another language, please email Jason Horsley at jhorsley@lcsd2.org
- Para solicitar información sobre este boletín de calificaciones en español, envíe un correo electrónico a Jason Horsley a jhorsley@lcsd2.org
- Pour demander des informations sur ce bulletin en français, veuillez envoyer un courriel à Jason Horsley à jhorsley@lcsd2.org

Teacher Qualification at Low Income vs Non-Low Income Schools

Inexperienced teacher: Any teacher with less than three years teaching experience in total.

Emergency/Provisional Credentialed Teachers: A teacher with an exception authorization allowing them to teach in an area other than that for which they hold a standard license and endorsement.

Out-of-field teacher: A teacher who has an educator license, but who does not have an educator license or an endorsement in the field they are currently teaching; an out-of-field teacher is designated as an unqualified teacher.

	# Schools	Enrollment	Total Teacher FTE	Inexperienced Teachers		Emergency/Provisional Credentialed Teachers		Out-of-field Teachers	
				FTE	%	FTE	%	FTE	%
Total Schools	9	2939	206.88	27.49	13.29	4.08	1.972	0	0
Non-Low Income Schools: <75%	1	883	51.72	8.53	16.49	0.60	1.16	0	0
Mid Non-Low Income Schools: 50.1-75%	6	1904	140.03	14.50	10.36	3.00	2.142	0	0
Mid Low Income Schools: 25.1-50%	2	152	15.13	4.46	29.48	0.48	3.173	0	0
Low Income Schools: >25%	0	0	0	0	0	0	0	0	0

Civil Rights Data Collection (CRDC)

Since 1968, the U.S. Department of Education (ED) has conducted the Civil Rights Data Collection (CRDC) to collect data on key education and civil rights issues in our nation's public schools. The CRDC is collected every two years and gathers a variety of information including: enrollment demographics, preschool, math and science courses, advanced placement, ACT & SAT, discipline, school expenditures and teacher experience. The CRDC is a longstanding and important aspect of the ED Office for Civil Rights (OCR) overall strategy for administering and enforcing the civil rights statutes for which it is responsible. Below are the instructions for accessing the most recent state-level CRDC reports on the Office for Civil Rights website:

- ocrdata.ed.gov
- Select 'State and National Estimations'
- Select the Year
- Click the gray bars to read more information and access report links.

Federal School Performance & Accountability

To determine how schools are performing, several indicators are used. All schools are held accountable for Achievement, Growth, and English Learner Progress. Additionally, elementary and middle schools use Equity as an indicator, and high schools use Graduation Rate and Post-Secondary Readiness. Different measures are used for each indicator:

-**Achievement** is measured using the statewide assessment, the Wyoming Test of Proficiency and Progress (WY-TOPP).

-**Growth** is measured by comparing how students did on WY-TOPP compared to how they did on prior statewide assessments.

-**English Learner Progress** is measured by how well students learning the English language improve on an assessment of English.

-**Equity** is measured by focusing heavily on the growth of the students who scored the lowest on prior statewide assessments.

-**Graduation Rate** is measured by the percent of students that graduated in four years in the prior school year.

-**Post-Secondary Readiness** is measured by the percent of students that demonstrate readiness for college or career.

Wyoming cut scores were set according to the following: the bottom third of scores are below average, the middle third of scores are Average, and the top third of scores are Above Average. Schools are scored for every indicator that represents at least ten students. Scores of 1, 2, and 3 are given for Below Average, Average, and Above Average, respectively. The scores are averaged and the lowest scoring school is identified for support to help them improve their performance.

WY-TOPP

WYTOPP-WYOMING TEST OF PROFICIENCY AND PROGRESS

- WY-TOPP will assess students on the state standards in reading, math, and science. It will also assess writing at grades 3, 5, 7, and 9. WY-TOPP is administered online with a computer adaptive assessments.
 - This year Wyoming students will be assessed on the new science standards
- Teachers will have the option to access free interim and modular tests for grades K-10
- To see a sample test, go to wyoassessment.org/students.html
- LCSD#2 had 99-100 % participation from students in assessments

USED granted a waiver for the cancellation of the state assessment and federal accountability for the 2019-2020 academic year due to the COVID pandemic. Subsequently, the only achievement data available for the 2019-20 school year is the English Learner (EL) proficiency rates.

WY-ALT

The Wyoming Alternate Assessment for Students with Significant Cognitive Disabilities (WY-ALT) was administered for the first time in spring 2015. The WY-ALT is aligned to the Wyoming Extended Content and Performance Standards (WYECPS) and designed to allow students to demonstrate their knowledge and skills in an appropriately rigorous assessment.

Due to the small number of students who took the ACT at Swift Creek High School, a cumulative score is unavailable for years prior to 2020-21 school year.

LCSD#2 Performance Level

Schools in Wyoming may fall within one of four performance levels for overall school performance based on their pattern of performance on FOUR indicators: Achievement, Growth, Equity, and English Learner Progress (ELP).

School	WAEA School Performance Rating
Afton Elementary	Exceeds Expectations
Cokeville Elementary	Exceeds Expectations
Thayne Elementary	Meeting Expectations
Etna Elementary	Meeting Expectations
Osmond Elementary	Exceeds Expectations
Star Valley Middle School	Partially Meeting Expectations
Cokeville Jr. High/High School	Meeting Expectations
Star Valley High School	Meeting Expectations
Swift Creek High School	Meeting Alternative Expectations

Description	
Growth	WAEA: The mean student growth percentile (MGP) in reading and math combined for all students in grades four through eight as measured from prior year PAWS to current year WY-TOPP.
	ESSA: The mean student growth percentile (MGP) in ELA and math combined for all students grades four through ten.
Equity	The weighted mean student growth percentile (MGP) with MGP of students who scored in the bottom 25% of students on the prior year test weighted at 80% and the MGP of the remaining students weighted at 20%. The reported count of students for this indicator reflects the number of students with test in the consolidated subgroup and the number of students with tests in the consolidated subgroup and the number of students with tests not included in the consolidated subgroup. In some cases, students have a test in each group.
Achievement	WAEA: The percent proficient or above on the state test in English language arts, mathematics, and science.
	ESSA: The percent proficient or above on the state test in English language arts and mathematics.
ELP	The percent of English learners who met their annual goal for English language proficiency.

Description	
Growth	<p>WAEA: The mean student growth percentile (MGP) in reading and math combined for all students in grades four through eight as measured from prior year PAWS to current year WY-TOPP.</p> <p>ESSA: The mean student growth percentile (MGP) in ELA and math combined for all students grades four through ten.</p>
Equity	The weighted mean student growth percentile (MGP) with MGP of students who scored in the bottom 25% of students on the prior year test weighted at 80% and the MGP of the remaining students weighted at 20%. The reported count of students for this indicator reflects the number of students with test in the consolidated subgroup and the number of students with tests in the consolidated subgroup and the number of students with tests not included in the consolidated subgroup. In some cases, students have a test in each group.
Achievement	<p>WAEA: The percent proficient or above on the state test in English language arts, mathematics, and science.</p> <p>ESSA: The percent proficient or above on the state test in English language arts and mathematics.</p>
ELP	The percent of English learners who met their annual goal for English language proficiency.
Extended Graduation	WAEA: Prior year extended graduation rate including the four year, on-time cohort plus all five, six, and seven year graduates. This is a lagged indicator.
Four-Year On-Time Graduation	ESSA: The prior year four year, on-time graduation rate. This is a lagged indicator.
Post-Secondary Readiness	The percent of all prior year graduates demonstrating college or career readiness. This is a lagged indicator.
Grade Nine Credits	WAEA Only: The percent of all prior year first year grade nine students who earned one fourth of the credits needed to graduate. This is a lagged indicator.

LCSD#2 Alternative High School Indicators

	Swift Creek High School		
	WAEA Target Level	ESSA Norm Category	Description
Growth	Meets Target	Below Average	WAEA: The mean student growth percentile (MGP) in reading and math combined for all students in grades four through eleven as measured from prior year WY-TOPP to current year WY-TOPP and ACT (grade eleven only).
			ESSA: The mean student growth percentile (MGP) in ELA and math combined for all students grades four through ten.
Achievement	Meets Target	Below Average	WAEA: The Average Achievement Index Score on the WY-TOPP in grades 9 and 10. Index scores for students are Advanced = 150 points, Proficient = 100 points, Basic = 50 points, and Below Basic = 0 points.
			ESSA: The percent proficient or above on the state test in ELA and mathematics.
ELP	N/A	N/A	The percent of English learners who met their annual goal for English language proficiency.
High School Credential	Meets Target	N/A	WAEA: Prior year extended graduation rate including the four-year, on-time cohort plus all graduates from earlier cohorts. Non-completers with a high school equivalency credential from the four-year, on-time cohort are included in the numerator for rate calculation. This is a lagged indicator.
Four-Year On-Time Graduation	N/A	Below Average	ESSA: The prior year four year, on-time graduation rate. Target "Met" if at or above 67%. This is a lagged indicator.
College and Career Readiness	Exceeds Target	N/A	WAEA: An index awarding points for various levels of post-secondary preparation for college and career. This is a lagged indicator.
Post-Secondary Readiness	N/A	Below Average	ESSA: The percent of all prior year graduates demonstrating college or career readiness. This is a lagged indicator.
Grade Nine, Ten, and Eleven Credits Earned	Meets Target	N/A	WAEA Only: The percent of all prior year first year grade nine, ten, and eleven students who earned one fourth of the credits needed to graduate. This is a lagged indicator.
School Climate	Meets Target	N/A	WAEA Only: School performance on the alternative school student climate survey. A combined participate rate of below 85% yields a Below Target designation.
Engagement	Yes	N/A	WAEA Only: Principal certification that school has a functioning student success plan process at the school.

POINTS OF PRIDE 2023-2024 School Year

Afton Elementary - our 3rd grade group finished their “career” at AES with 93% proficient on the AimsWeb benchmark in reading and 92% proficient in math. They began at 21% proficient in reading and 39% proficient in math. Great job to all teachers and parents!

Cokeville Elementary - one of the highest achieving schools in Wyoming. On WYTOPP language arts, 0 students below basic in 3rd, 4th, 5th and 6th grades.

Thayne Elementary - we are leveraging the Branching Minds program to streamline MTSS efforts, enabling data-driven, targeted reading interventions to accelerate student success.

Etna Elementary - has worked to improve the climate and culture for students and staff.

Osmond Elementary - “Teachers Observing Teachers” project which included a system of staff observing other staff using different instructional strategies. Students participated in several enrichment activities including cross country, Alpine skiing, backpacking, snow shoeing, and after school classes.

Star Valley Middle School - extremely proud of our Student Council and their volunteer efforts to give back to the community through our placement of reflection benches on the Star trail.

Cokeville Jr. High/High School - 7th-10th grade, reduction of students in below basic category on WYTOPP. Our 10th grade Science was 81% proficient or advanced.

Star Valley High School - a new class called “The Brave Way” launched this year focusing on freshmen. It addresses essential topics for students, including school culture, Native American culture, Indigenous wisdom, navigating high school, empathy, kindness, integrity, social media safety, digital footprint, grit, career exploration, etiquette, and communication skills.

Swift Creek High School - we introduced the “Prime 4 Life” cessation program to help student with addiction overcome their issues, and saw a large enrollment. We also focused on internship opportunities for students, providing several unique learning environments in the community with various businesses and industries.
