We are so excited to embark on another year of educating our wonderful students at Etna Elementary. I look forward to meeting and working with all of you. We pledge to do everything that we can to make this a great and valuable experience for you and your child. Please help us by being actively involved in your child's education by encouraging them to give their best. The partnership between school and home is vital to a successful education and we can't wait to connect with you and see what we can achieve together. Please reach out to me with any questions or concerns you have. It's going to be a great year!

Principal David Saltzman
