"Empowering Students and the Adults in Their Lives to Build Resilience and Live by the Golden Rule"  
Presented by: Jason Stanley Marshall

This will be the topic of the SVMS assembly on December 5th.

Jason has delivered this message of resilience to all ages, from early elementary to high school students, plus teachers, parents and everyone in between. He strives to live it out by example, and raise his children to be resilient in the face of anything that comes their way.

**We all need a little extra help sometimes!** If this is you, participate in Power Hour each Wednesday, after school. Power Hour is designed to provide students with the opportunity to get some one-to-one assistance in the classroom. Buses are provided.

### Did you try out the Digital Library?

If not, and you need more information, refer to the November 2018 Newsletter stored on the website under the Information Tab.

All potential basketball players must have their physicals before participating in tryouts. **Tryouts for boys basketball will be held December 17-19**
