NAEP Testing for 8th Graders

Several 8th grade students have been selected externally to participate in NAEP tests. If your child was selected, a letter was sent home. As a parent, you can always request that your student not be tested.

CLASSY Corner

A = Acts of Kindness

Students are encouraged each week to look for **Acts of Kindness** they noticed taking place around them. Of course, that also means doing them, so others can see and experience kindness. Mark Twain said, "Kindness is the language which the deaf can hear and the blind can see."

See page 2 for instructions on checking your students grades online and Dress Code
